Welcome to the application process, the path to becoming a resident at one of California’s extraordinary Veterans Homes. We encourage all eligible veterans to apply for admission. California’s Veterans Homes are operated as an expression of gratitude toward our State’s Veterans.

To save time, before you start to fill out the application form, check to see that you meet the basic qualifications for admission. In brief, these qualifications are:

1. You are age 55 or over or, you have a disability.
2. You served in the military and you were honorably discharged.
3. You are still able to live independently or you qualify for a higher level of care offered at one of the Homes (contact the specific Home for clarification on qualifying for a higher level of care).
4. You are a California resident.
5. You are able to live with and get along with other people in a structured communal environment.
6. Prior to admission to a Veterans Home, and while a resident at the Home, veterans must be enrolled in a qualified health insurance plan that covers long-term care, and specialty medical care, including but not limited to:
   • Medicare Part A
   • Medicare Part B, Part D
   • Medi-Cal
   • TRICARE (including dental) or CHAMPVA
   • USDVA Health Care
   • Commercial Insurance (Blue Cross, Blue Shield, etc).
   • Other health coverage including Long Term Care or comparable insurance

Members not enrolled in a sufficient insurance plan must have an application in process and acknowledge that they will be placed on self-pay status (responsible for all outside medical expenses) until health coverage is obtained. Furthermore members who fail to enroll in Medicare Part B and/or Part D will be responsible for all medical services provided by those coverage’s.

Further information about the Homes, photo galleries, and instructions on filling out this application and the admission process can be found online. Go to www.calvet.ca.gov > click on Vet Homes > and select the Home of your choice for information about that Home. Downloadable and printable copies of the Application for the Veterans Home of California are also available.
TABLE OF CONTENTS AND PREFACE

If you need help completing this application or have questions, you can call any of the phone numbers listed on page A-4.

This application package has three sections. The applicant completes sections A and B and section C is completed by a physician. All responses in each section are required.

PREFACE

This application should be completed to the best of your ability. It is the first step in gaining residency to a California Veterans Home. CalVet recommends you take the following steps if you wish to expedite the admissions process:

1. Contact your physician as soon as possible and set up an appointment to complete Section C. Note that Section C is valid for 6 months once signed.

2. In addition to filling out and including Section B, use Section B to request the most recent 12 months of medical history from your physician’s office, hospitals, and all other health care providers. Include the documents with your application package. Usually the slowest part of the application process is that the Home must request and wait for your medical records to arrive at the Admissions office. We recommend that you obtain copies of your medical records and send them directly to the Admissions office to avoid delays.

For your application to be considered complete, please submit a copy of the following documents with your application package.

A copy of:

- Form DD-214, Certificate of Release or Discharge From Active Duty
- Proof of California Residency, (see page A-1, California Residency)
- Copies of the front and back side of all your health insurance cards (Medicare, Medi-Cal, TRICARE, USDVA Health Care etc.).
- Most recent 12 months of medical history
